RH program update for OAR September 2016 to Janet final v6.docx

Hi Monica and Jaslyn,

Periodically, I'm asked to update the attached report of ongoing Regional Haze activities. I'm working on this now, and need to know if you have an anticipated timing for acting on North Dakota's SIP. I looked through the spreadsheet that was attached to this November email, and didn't notice anything on ND.

My current entry on ND reads as:

## Ex. 5 - Deliberative Process

## Ex. 5 - Deliberative Process

Thanks for any info you can provide.

Melinda

Sara suggests that we generally indicate the potential for check-in with OAR on both litigation and settlement issues.

**Subject:** update on ND?

Hi Gail,

When you have a chance, could you give me an update on where the region is with ND? It looks like on my last update to OAR I included information that a proposal could happen in December. Mike Koerber asked that we let him know if you'll need any attention from OAR on this in the next couple of months.

Thanks,

Melinda
